

Wiring Diagram For 1916 - 1919 Model T Ford Without Starter

The Editors wish to extend a special note of thanks to Harry Pulfer who so kindly supplied the wiring diagrams shown above and on preceding pages. Mr. Pulfer, as many of you know, is considered one of the most reliable sources for all kinds of technical data and information concerning Model T Fords. These diagrams have been reproduced from his extensive file of material at the request of a number of International Model T Ford Club members.
